Re: Notice of Name Change in Decision Nos. 64357, 64495, and 64717 (Docket No. L-00000P-01-0117)

Dear Sir or Madam:

On May 5, 2006, the Arizona Corporation Commission received notification that Duke Energy Arlington Valley, LLC changed its name to LSP Arlington Valley, LLC. I am writing to inform you that another name change will be occurring. LSP Arlington Valley, LLC will be changing its name to Dynegy Arlington Valley, LLC. The name change is occurring as a result of a change in our holding company.

Please note that no facility assets are being sold or transferred and no operational or physical modifications will be occurring at the facility; as such, no transfer of the Certificate of Environmental Compatibility granted in Decision No. 64357 and amended by Decision Nos. 64495 and 64717 is required under A.R.S. § 360.08(A) and A.A.C. R14-3-213(F). However, we request that the Arizona Corporation Commission appropriately update its records to reflect the name change.

If you have any questions, please feel free to contact James White at (805) 595-4295.

Very truly yours,

Mike Holcomb, Plant Manager
